Highway Reconstruction Update

Building Columns

TRINIDAD –Lawrence Construction Company will be constructing bridge abutments for the new northbound I-25 bridge over Main Street. Once the abutments are complete, construction will begin for the landscaped retaining walls. The contractor will also be starting to construct pier footings for the new northbound I-25 viaduct between the Pizza Hut building and Commercial Street. There may be minor traffic delays but no street closures are expected.

Traffic updates and project information can be seen on the project web site www.i25trinidad.com. Information about this or other CDOT projects is available at www.cotrip.org or by calling (877) 315-ROAD throughout Colorado. Information is also available by dialing 511.
