Highway Reconstruction Update

Construction Begins

TRINIDAD – Demolition of the north bound I-25 bridge over Main Street is complete and this week the contractor started to construct the new bridge. They will also be constructing the new alignment of I-25 between Van Buren and Main Street. This work will continue through the summer. Repair work will continue on the south bound I-25 viaduct causing periodic lane closures.

The Colorado State Patrol has committed to a zero tolerance policy for traffic violations such as speeding and aggressive driving through the construction zone.

Traffic updates and project information can be seen on the project web site www.i25trinidad.com. Information about this or other CDOT projects is available at www.cotrip.org or by calling (877) 315-ROAD throughout Colorado. Information is also available by dialing 511.
