Highway Reconstruction Update

Detours at Main Street and Commercial Street starting Monday

TRINIDAD – Lawrence Construction Company will be installing bridge girders on I-25 near Commercial Street. Commercial Street will be closed between the BNSF railroad tracks and Broom Street. The on-ramp from Commercial Street to northbound I-25 will also be closed during this installation. This closure will occur Monday February 18, 2008 between 6:30 am and 2:00 pm. Detour signage will be in place.

Additionally, Lawrence Construction will be setting girders at the Main Street Bridge on Thursday February 21, 2008 from approximately 6:30 am to 4:00 pm. During this time southbound and northbound exit ramps (13B) from I-25 to Main Street will be closed. The on-ramp from Main Street to northbound I-25 will remain open but drivers may experience brief 15-minute delays. Local traffic will be detoured around this intersection. Signage will be in place well in advance of the detours. Northbound I-25 traffic will exit on Santa Fe (Exit 11) and on Van Buren (Exit 13A). Southbound I-25 traffic will exit on Colorado Avenue (Exit 14B).

Traffic updates and project information can be seen on the project web site www.i25trinidad.com. Information about this or other CDOT projects is available at www.cotrip.org or by calling (877) 315-ROAD throughout Colorado. Information is also available by dialing 511.
