Highway Reconstruction Update

I-25 Northbound Viaduct Demolition

TRINIDAD –Lawrence Construction is beginning the demolition of the existing I-25 northbound viaduct. This work is expected to continue through the remainder of July and into August. Various intersections will be closed for safety as demolition work progresses overhead, intersection closures will be announced as the schedule becomes available. Each intersection is expected to be closed for approximately three days as the bridge and girders are removed. During this time traffic will be detoured to adjacent streets.

Traffic updates and project information can be seen on the project web site www.i25trinidad.com. Information about this or other CDOT projects is available at www.cotrip.org or by calling (877) 315-ROAD throughout Colorado. Information is also available by dialing 511.
