## Highway Reconstruction Update

# Progress Continues

TRINIDAD – Sanitary sewer line replacement continues along Commercial Street. Although the intersection of Pine Street and Commercial Street has been reopened, Commercial Street will remain closed between the northbound on ramp and Hadad Drive for a few more weeks. The northbound on ramp will be accessible only from Commercial Street via Pine Street or the downtown area, all access is expected to reopen in three weeks.

In addition to the sanitary sewer line replacement along Commercial Street, work continues on the Mechanically Stabilized Earth walls, setting of forms and reinforcing steel for the Main Street Bridge. Minor traffic delays are expected at Main Street and the Interstate ramps to allow for trucks to enter and exit the work area

The BNSF Railroad will be working on the Railroad Crossing tracks and approaches at University Street. University Street will be closed between Nevada Avenue and State Street, Monday October 1, through Friday October 5.

Traffic updates and project information can be seen on the project web site [www.i25trinidad.com](http://www.i25trinidad.com). Information about this or other CDOT projects is available at [www.cotrip.org](http://www.cotrip.org) or by calling (877) 315-ROAD throughout Colorado. Information is also available by dialing 511.
