TRAFFIC ADVISORY

Ramp Closures at Main

TRINIDAD – The Colorado Department of Transportation (CDOT) is closing two ramps at Main Street over the next couple of weeks so Main can be paved under Interstate 25.

On Wednesday, September 1, the ramp from northbound I-25 to Main Street will be closed. Drivers can use either Exit 11 – Starkville/Santa Fe Trail, or Commercial Street, Exit 14, as alternate routes into Trinidad. The ramp is scheduled to reopen on Saturday, September 4.

Then on Tuesday, September 7, the ramp from Main Street to northbound I-25 will be closed. Access to northbound I-25 will be available at Commercial Street. The ramp is scheduled to reopen on Friday, September 10.

Two other ramps remain closed in Trinidad: from southbound I-25 to Main Street, until mid-September, and from East Colorado Avenue to southbound I-25, until further notice.

Additional construction information is available by calling the contractor, Lawrence Construction, at 719-846-4961 or visiting the project Web Site at www.i25trinidad.com.
