Highway Reconstruction Update

Storm Drain Installation

TRINIDAD –In the coming week, Lawrence Construction Company will be installing a storm drain adjacent to the interstate on Main Street, and across the northbound on-ramp at Main Street. Traffic will be reduced to one lane and controlled by flaggers.

Construction will continue on the retaining walls for the Commercial Street northbound on-ramp and the Main Street ramps.

Traffic updates and project information can be seen on the project web site www.i25trinidad.com. Information about this or other CDOT projects is available at www.cotrip.org or by calling (877) 315-ROAD throughout Colorado. Information is also available by dialing 511.
