TRAFFIC ADVISORY
Temporary Closure of Colorado Ave. Ramps
RESCHEDULED

TRINIDAD – The scheduled closure of the two Colorado Avenue ramps at Interstate 25 (Exit 14B) has been postponed for one week. Both ramps were scheduled to close for about three weeks, beginning Monday.

Beginning on Monday, August 2, and continuing through Friday, August 20, the off-ramp from southbound I-25 to East Colorado Avenue and on-ramp from East Colorado Avenue to southbound I-25 will be closed. The closures are part of the reconstruction of I-25 through Trinidad.

Large trucks will need to use Goddard Avenue (Exit 15), about one mile north, to access Trinidad. The posted detour from the exit is westbound Goddard to southbound Nevada Avenue. All other traffic can use the Goddard or Main Street exits to enter Trinidad.

Additional construction information is available by calling the contractor, Lawrence Construction, at 719-846-4961 or visiting the project Web Site at www.i25trinidad.com.
