Highway Reconstruction Update

Temporary Commercial Street Closure

TRINIDAD – Commercial Street will be closed from Hadad Street to Pine Street beginning Friday, May 30, until Wednesday, June 11, 2008. This closure will allow the contractor to install curb and gutters and to pave the new Commercial Street. The I-25 “on-ramp” at Commercial Street will be closed during this time. Access to the AMTRAK depot will be from Pine Street. Local detours will be in place to direct traffic around this area. We thank you for your patience during these closures and detours.

Traffic updates and project information can be seen on the project web site www.i25trinidad.com. Information about this or other CDOT projects is available at www.cotrip.org or by calling (877) 315-ROAD throughout Colorado. Information is also available by dialing 511.
