Highway Reconstruction Update

Work Continues on Sanitary Sewer Lines

TRINIDAD – Lawrence Construction Company continues to install sanitary sewer lines along Commercial Street. Commercial Street will remain closed between the northbound on ramp and Hadad Drive. The northbound on ramp will be accessible only from Commercial Street via Pine Street or the downtown area, all access is expected to reopen in approximately two weeks.

In addition to the sanitary sewer line replacement along Commercial Street, work continues on the Mechanically Stabilized Earth walls, setting of forms and reinforcing steel for the Main Street Bridge. Minor traffic delays are expected at Main Street and the Interstate ramps to allow for trucks to enter and exit the work area

Traffic updates and project information can be seen on the project web site www.i25trinidad.com. Information about this or other CDOT projects is available at www.cotrip.org or by calling (877) 315-ROAD throughout Colorado. Information is also available by dialing 511.
